

LAFAYETTE'S 6TH ANNUAL EARTH DAY PICNIC & CELEBRATION

Saturday
April 23rd
◆ 2011 ◆

11:00 - 3:00 pm ◆ Downtown Lafayette - Plaza Park

Picnic on the Green

A community picnic right in the center of town! Bring your own or buy lunch at the square prepared with food from local farmers. Enjoy **live music** and learn about all the environmental groups that are helping to make Lafayette more earth-friendly. Last year's picnic was a huge success and we're excited to bring back the same great event this year.

PLAZA PARK - 11:30-1:30pm

PLAZA WAY - 11-3 pm

Visit "Eco Way"

Plaza Way will be turned into Eco Way! Tour the "Backyard of Tomorrow", preview the upcoming farmers market, learn about Lafayette green businesses and products, buy veggie starters, and visit with local environmental groups to learn how you can become involved this Earth Day.

Tour the Backyard of Tomorrow!

Bike Safety Rodeo & Parade

Children K-5th grade can start the day with the fun **Bike Safety Rodeo** in the Stanley Middle School Parking lot. It's a enjoyable way to learn bike safety whether you're a new or experienced rider. Then, a parent-organized "**Self-Propelled Parade**" will depart Stanley at 11:30am. Bring your feet, bike, skateboard, unicycle, scooter, skates, wagon, or anything else with wheels.

STANLEY - 9am-11:30am
